TOPIC: The farm bill: What's for me?

Group: _____ County: _____ Meeting Date: _____

.....

1. List what you believe are the top three priorities for agriculture in the next farm bill.

2. If the domestic food industry were to be significantly damaged by weather or market conditions, what would be the impact on the United States? Can we import the majority of our food and keep our borders secure?

3. If you had to make one major change in U.S. farm policy, what would it be?
