## Top Shops Contest entry form

[Agriculture.com Staff](#) 03/08/2011 @ 5:03pm

Print off the entry form below, fill it out, and mail it in for your chance to win!

Please include a detailed description of the entry including such information on how it was built, how the innovation is used on your farm, what its value to your operation is, the ways the idea supports the enterprise by keeping farm equipment in top operating conditions and other related contributions.

Be sure to include diagrams, layouts, drawings, photographs, videotapes or digital discs so judges can see the entry in action. You are certainly encouraged to provide a personal narration of your innovation in action or provide a tour of its features.

You can also receive instructions on how to enter the contest by e-mailing Dave Mowitz at [dave.mowitz@meredith.com](mailto:dave.mowitz@meredith.com) or by calling him at 515/284-3287.
