A big benefit of Michigan Farm Bureau membership is choosing a Farm Bureau Health Plans of Michigan Medicare Supplement

People who are members of Michigan Farm Bureau already have access to a wide range of member benefits. And now, with Farm Bureau Health Plans of Michigan, members can also enjoy affordable health care and special members-only rates for dependable Medicare Supplement coverage.

MEDIGAP MADE EASY

Medicare Supplement coverage can protect you from Medicare's large out-of-pocket expenses

Medicare Supplement coverage—also known as Medigap—helps fill the gaps in Original Medicare (Part A - Hospital and Part B - Medical). This means it helps pay some of the health care costs that Original Medicare doesn't cover, like copayments, coinsurance, and deductibles.

If you have Original Medicare, you may be surprised how quickly these out-of-pocket expenses can add up.

For example, in 2024, if you went into the hospital, you would need to pay a deductible of \$1,632 before Medicare would start to pay for services. And if you're in the hospital for an extended period of time, you'd pay a copayment of \$408 per day for days 61-90, and \$816 per day for days 91-150.

To avoid these gaps in your Medicare benefits, consider a Farm Bureau Health Plans of Michigan Medicare Supplement to help pay these expenses.

There are 12 standard Medicare Supplement plan options. Medicare Supplement plans are standardized by the federal government. Every company must make available Plan A, but do not have to offer all 12 plans.

Farm Bureau Health Plans of Michigan offers Medicare Supplement Plans A, D, G, and N only.

Choose your own doctors and hospitals

When you purchase a Medicare Supplement, you have the freedom to use any doctor, health care provider, and hospital that accepts Original Medicare. There is no need to worry about networks.

CHOOSE THE BENEFITS THAT ARE MOST IMPORTANT TO YOU

Basic benefits included in all Medigap plans

- **Hospitalization:** Part A daily copayments (days 61-90 and 91-150), plus coverage for 365 additional days after Medicare benefits end.
- **Blood:** First three pints of blood each year (Original Medicare covers additional pints).
- **Hospice:** Part A coinsurance for inpatient respite care and copays for outpatient prescription drugs.
- **Medical expenses:** Part B coinsurance (20% of Medicare-approved expenses) or copays. Plans K, L and N require you to pay a portion of the Part B coinsurance or copayments.
- **Medicare preventive care:** Part B coinsurance (20% of Medicare-approved expenses) when applicable.

Additional benefits available in select Medigap plans

- **Hospitalization:** Part A deductible per hospital benefit period (\$1,632 in 2024).
- **Skilled nursing facility care:** Part A daily copayments for days 21-100 of each benefit period (\$204.00 per day in 2024).
- **Medical expenses:** Part B deductible per calendar year (\$240 in 2024).
- **Part B excess charge:** All costs above Medicare-approved amounts.
- **Foreign travel emergency care:** 80% of Medicare-eligible expenses for emergency care services received outside the U.S., after you meet a \$250 foreign travel deductible. Benefit limited to \$50,000 in your lifetime.

Insurance words to know

- **Premium** - The cost of belonging to the plan. Think of it as a gym membership. You pay every month whether you use the gym or not.
- **Deductible** - The amount you must pay for eligible medical services before insurance starts to pay.
- **Copay or coinsurance** - If you have a claim, this is your share of the cost of those claims. If it's a specific dollar amount, it's called a copay. If the figure is a percentage of the bill, it's called a coinsurance.

THE BEST TIME TO BUY MEDICARE SUPPLEMENT INSURANCE

Enroll during your Medigap Open Enrollment Period

Unlike Medicare Advantage Plans and Medicare Prescription Drug Plans, Medicare Supplements do not have an Annual Enrollment Period. You get one Medigap Open Enrollment Period when you're guaranteed acceptance into any Medicare Supplement with no health questions asked. This period lasts for six months and begins on the first day of the month in which you are both:

- Age 65 or older
- Enrolled in Medicare Part B.

Or when you have a Guaranteed Issue Right

There are also certain circumstances that may qualify you for a limited time Guaranteed Issue Right to enroll in a Medicare Supplement with no health questions asked. These situations include:

- You're in a Medicare Advantage Plan (like a PPO or HMO), and your plan is leaving Medicare, or stops giving care in your area, or you move out of the plan's service area.
- You have Original Medicare and an employer group health plan (including retiree or COBRA coverage) or union coverage that pays after Medicare pays and that plan is ending.
- You have Original Medicare and a Medicare SELECT policy and you move out of the Medicare SELECT policy's service area.
- You joined a Medicare Advantage Plan or Program of All-inclusive Care for the Elderly (PACE) when you were first eligible for Medicare Part A at 65, and within the first year of joining, you decide you want to switch to Original Medicare.
- You dropped a Medigap policy to join a Medicare Advantage Plan (or to switch to a Medicare SELECT policy) for the first time, you've been in the plan less than a year, and you want to switch back.
- Your Medigap insurance company goes bankrupt and you lose your coverage, or your Medigap policy coverage otherwise ends through no fault of your own.
- You leave a Medicare Advantage Plan or drop a Medigap policy because the company hasn't followed the rules, or it misled you.

Enrolling in Medicare Supplements at any other time

If you miss your Medigap Open Enrollment Period and are not eligible for one of the Guaranteed Issue Rights noted on this page, you can still apply for a Farm Bureau Health Plans of Michigan Medicare Supplement at any time.

However, your application will be medically underwritten (meaning we'll review your health history) and you could be denied coverage. If you are accepted, you will be charged a higher premium rate if you use tobacco products.

¹Plans F and G also have a high deductible option which require paying a plan deductible of (\$2,800) before the plan begins to pay. Once the plan deductible is met, the plan pays one hundred percent (100%) of covered services for the rest of the calendar year. High deductible plan G does not cover the Medicare Part B deductible. However, high deductible plans F and G count your payment of the Medicare Part B deductible toward meeting the plan deductible.

²For Plans K and L, after you meet your out-of-pocket yearly limit and your yearly Part B deductible (\$240 in 2024), the Medigap plan pays 100% of covered services for the rest of the calendar year.

³Plan N pays 100% of the Part B coinsurance, except for a co-payment of up to \$20 for some office visits and up to a \$50 copayment for emergency room visits that don't result in an inpatient admission.

UNDERSTANDING YOUR PREMIUMS

We base your premium rates on the county you live in, as well as age and gender. If you are not within your Medigap Open Enrollment Period, or are not eligible for a Guaranteed Issue Right, tobacco use will also affect your premium rate.

Farm Bureau Health Plans of Michigan can raise your premium at any time with 30-days notice. However, we can only raise your premium if we raise the premium for all persons of the same class and benefit plan insured under the group policy who reside in your state. Any premium increase must be approved by the Michigan Department of Insurance and Financial Services. The Medicare Supplement insurance coverage is age-rated. Your premium will be based on your current age and adjusted annually each birthday.

If your Michigan Farm Bureau membership lapses, your policy will remain in force as long as you continue to pay your premiums. However, you may lose your Farm Bureau Health Plans of Michigan discounted premium rate. Once the membership discounted premium rate is lost, you may not get it back. Monthly premiums will be paid through authorized automatic deductions from your bank account. Premium payments are due on the 1st or 15th of each month depending on your selected payment date upon applying.

Replacing your current coverage

If you are replacing your current health insurance policy with a Farm Bureau Health Plans of Michigan Medicare Supplement, do not cancel your current insurance right away. Wait until you have received your new Medigap certificate and are sure you want to keep it.

It's important for you to understand your plan

You can use this outline of coverage to compare benefits and premiums among different policies, certificates, and contracts. This outline shows benefits and premiums of policies sold for effective dates on or after June 1, 2021. Please keep in mind that this is only an outline of the most important features of the plans. The certificate is your insurance contract. Be sure to read the certificate itself so you understand all of the rights and duties that come with your health plan.

If you change your mind

We want you to be satisfied with your coverage, so please take time to review it carefully.

If you are not satisfied with your certificate, you may return it to:

Farm Bureau Health Plans of Michigan
PO Box 1424
Columbia, TN 38402 -1424

If you send the certificate back to us within 30 days after you receive it, we will act as though the certificate was never issued, and we will return all of your payments. We can, however, collect from you all costs for covered services that you received.

Neither Farm Bureau Health Plans of Michigan nor agents authorized to sell Farm Bureau Health Plans of Michigan Medicare Supplements are connected with or endorsed by the United States government or the federal Medicare program.

This outline of coverage does not give all the details of your Medicare coverage. For information about your Medicare Part A and Part B coverage, contact your local Social Security office, go to [medicare.gov](https://www.medicare.gov), or consult the "Medicare and You" handbook for more details.
