Dear Friend of Agriculture:

This year will mark the *twenty-sixth year* of the Jackson County Rural Education Day (Project R.E.D.), held on **Tuesday, April 22nd**. Each year the Jackson County Farm Bureau and many other supporters just like you make this event possible for over fifty third grade classrooms from Jackson County to receive an up-close glimpse at many different agricultural presentations that include, livestock, crops, technology, and farm safety. In recent years, the Project RED planning committee has looked for ways to expand our impact beyond this one-day event. This has brought the committee to the goal of providing accurate agriculture books, lesson plans, and student resources for every classroom in attendance. To accomplish this goal, we need your help!

Please consider sponsoring a classroom (or more) for this year's Project RED event. Sponsorship is \$40 per classroom and covers the cost of the classroom copy of the book "Potatoes for Pirate Pearl". Classes will also receive additional ag related materials. Your sponsorship also creates an opportunity for you to share your story with students in our county. We are looking for sponsors for approximately fifty classrooms – Traditionally we see **1,200+ kiddos!** If you would like to sponsor more than just classrooms, we accept any monetary donation or items that could assist with putting on this event. We also welcome anyone that would like to be a volunteer for this event.

Complete the form below and email: jwalwor@ctyfb.com or mail it to Jackson CFB at 1341 W. Parnall Rd, Jackson, MI 49201 by **Tuesday, April 8th**. Checks should be made payable to Jackson County Farm Bureau. If you have questions, please email us at jwalwor@ctyfb.com. Thank you for your support of Project R.E.D. and agriculture in Jackson County!

Sincerely,

Becky Heim
Project RED Event Co-Chair
